AEE 404: MAIN EXAM.

QUESTION 1

List TEN areas within the scope of sustainable development and discuss briefly how sustainable development is practised in each area in Swaziland or any other country of your choice.

[25 marks]

QUESTION 2

In spite of their efforts, it has been difficult to bring about sustainable development in many African countries. Discuss the challenges faced by sustainable development programmes in African countries.

[25 marks]

QUESTION 3

- (a) Define the term, environmental sustainability.
- (b) List FIVE environmental technology options, and state one way in which each could be used to bring about sustainable development.

[25 marks]

QUESTION 4

A major challenge to sustainable development in many developing countries is inadequate access to clean water by people. Explain the ways of improving access to clean water in developing countries.

[25 marks]
