Section B								

#### Question 1

Identify and discuss four (4) basic assumptions upon which humanistic education is premised. Give appropriate examples to illustrate your answer  $[4 \times 5 = 20 \text{ marks}]$ 

#### Question 2

Discuss Paulo Freire's notion of radical education under the following headings:

- (a) Conscientisation
- (b) Critical reflection
- (c) Problem-posing; and
- (d) Emancipatory education

Answer three (3) questions from this section

 $[4 \times 5 = 20 \text{ marks}]$ 

#### Question 3

(a) Explain the purpose of education under the analytical (philosophic) tradition [5 marks]

(b) It is common to divide analytic philosophy into four (4) parts in its historical development, namely: (i) scientific realism, (ii) logical analysis, (iii) logical positivism and (iv) linguistic or conceptual analysis.

Explain three (3) such parts, using relevant examples to illustrate your answer  $[3 \times 5 = 15 \text{ marks}]$ 

#### **Question 4**

Indigenous (or traditional) education performed a number of functions in society. Its main function was to enable humans to lead a more satisfying and productive life by preparing them to maintain traditional norms and values (Msimuko, 1987). Traditional society valued respect, respectability, hospitality, generosity, self-reliance, continuity and stability. It stressed a stable society. To what extent are the above-mentioned values manifest in contemporary Swaziland? Explain, with examples, any five (5) of them  $[5 \times 4 = 20 \text{ marks}]$
