1. Answer Two (2) questions
 2. All questions carry equal marks

This paper is not to be opened until permission has been given by the invigilator.

1. To what extent do the trade experiences of Swazi traders in colonial times fit I. Wallerstein and W. Rodney's dependency theory model?
2. Delineate the political, economic and social factors in Swaziland that influenced the tempo of decolonization.
3. Choose two political parties that were formed to expedite decolonization in Swaziland and compare and contrast the role they played, if any, in making independence a reality.
4. To what extent could the backward-forward linkage model of industrial development be used to effectively interpret the development of the economy in Swaziland in the latter part of the 20th century?
