1. European feudalism consisted of a range of political and economic relations between different social groups. Discuss any of them.
2. Describe the transition from the mercantile system, in England, to emergence of industrial capitalist economy.
3. Discuss ways in which French society had changed, between 1615 and 1789, thereby creating favourable conditions for the outbreak of revolution, in July, 1789.
4. To what extent did European monarchs succeed in 'restoring' pre-Napoleon social orders in societies they ruled?
5. What were the main influences behind 1815-1830 revolutions in Europe?
6. Discuss the interests of social groups that were behind the unification of Italy in 1870.
